

PTS Conversion to AW

Ref (a) MILPERSMAN 1220-010
(b) NAVADMIN 090/03
(c) NAVPERS 15909G (Enlisted Transfer Manual)
(d) MILPERSMAN 1440-010

NAVADMIN 050/03 para 3.E. states that, "Sailors in CREO 3 rates should provide three conversion rating choices (for which they qualify)." Paragraph 3.H.2.Q further states regarding conversion choices that, "Commanding Officers must verify that the member meets requirements for each."

- **Age: 30 years old or less per ref (a)**
- **Certified completion of flight physical per ref (a).**
- **Certified qualification as Second Class Swimmer per ref (a).**
- **ASVAB Scores: AR+2MK+GS = 196 per refs (a) and (b).**
- **US Citizen and character requirements to be granted a secret clearance per ref (a). If member does not currently hold a secret clearance, commands ensure paperwork is submitted prior to transfer.**
- **Sign 60 Month Obliserve to train prior to transfer to Naval Aircrew Candidate School per refs (c) Chapter 7 and (d) para 6.**
- **Member has signed both Aircrew Statement of Understanding and Rescue Swimmer Statement of Understanding per ref (a).**
- **Member has signed Page 13 entry volunteering for flight duty per ref (c) Section 9.09.**
- **PRT Score of Satisfactory Medium or better per ref (a).**
- **No NJP within 36 months per ref (c) Special Program Screening Form.**

Commands contact aircrew enlisted community manager (N132D2) via phone, fax, or email to verify screening requirements have been met. Waivers for age, ASVAB, and NJP screening criteria will be given on a case by case basis. Once ECM has verified that command has properly screened individual for the aircrew program, member will receive final approval for conversion to AW.
